AUCTION CONDUCT CONDITIONS

A1 Introduction

A1.1 Please ensure that you are familiar with the meanings as defined in the Glossary.

A1.2 The catalogue is issued only on the basis that you accept these auction conduct conditions. They govern our relationship with you and cannot be disapplied or varied by the sale conditions (even by a condition purporting to replace the whole of the Common Auction Conditions). They can be varied only if we agree.

A2 Our role

A2.1 As agents for each seller we have authority to:

- prepare the catalogue from information supplied by or on behalf of each seller;
- offer each lot for sale;
- sell each lot;
- receive and hold deposits;
- issue and collect proceeds against an invoice.

A2.2 Our decision on the conduct of the auction is final.

A2.3 We may cancel the auction, or alter the order in which lots are offered for sale. We may also combine or divide lots. A lot may be sold or withdrawn from sale prior to the auction.

A2.4 You acknowledge that to the extent permitted by law we owe you no duty of care and you have no claim against us for any loss.

A3 Bidding and reserve prices

A3.1 All bids are to be made in pounds sterling exclusive of any buyers premium, administration charges or VAT.

A3.2 We may refuse to accept a bid. We do not have to explain why.

A3.3 If there is a dispute over bidding we are entitled to resolve it, and our decision is final.

A3.4 Unless stated otherwise each lot is subject to a reserve price (which may be fixed just before the lot is offered for sale). If no bid equals or exceeds that reserve price the lot will be withdrawn from the auction.

A3.5 Where there is a reserve price the seller may bid (or ask us or another agent to bid on the seller's behalf) up to the reserve price but may not make a bid equal to or exceeding the reserve price. You accept that it is possible that all bids up to the reserve price are bids made by or on behalf of the seller.

A3.6 Where a guide price (or range of prices) is given that guide is the minimum price at which, or range of prices within which, the seller might be prepared to sell at the date of the guide price. But guide prices may change. The last published guide price will normally be at or above any reserve price, but not always – as the seller may fix the final reserve price just before bidding commences.

A4 The particulars and other information

A4.1 We have taken reasonable care to prepare particulars that correctly describe each lot. The particulars are based on information supplied by or on behalf of the seller. You need to check that the information in the particulars is correct.

A4.2 The particulars and the sale conditions may change prior to the auction and it is your responsibility to check that you have the correct versions.

A4.3 If we provide information, or a copy of a document, provided by others we do so only on the basis that we are not responsible for the accuracy of that information or document.

A5 The contract

A5.1 A successful bid is one we accept as such (normally on the fall of the hammer). This condition A5 applies to you if you make the successful bid for a lot.

A5.2 You are obliged to buy the lot on the terms of the sale at the price you bid plus the buyers premium any applicable administration charges plus VAT.

A5.3 You must before leaving the auction:

- provide all information we reasonably need from you to enable us to complete the sale invoice (including proof of your identity if required by us);
- pay the deposit.

A5.4 If you do not we may either:

- as agent for the seller treat that failure as your repudiation of the contract and offer the lot for sale again: the seller may then have a claim against you for breach of contract; or
- sign the sale memorandum on your behalf.

A5.5 The deposit:

- is to be held as stakeholder where VAT would be chargeable on the deposit were it to be held as agent for the seller, but otherwise is to be held as stated in the sale conditions; and
- must be paid in pounds sterling by cheque or by bankers' draft made payable to us on an approved financial institution. The extra auction conduct conditions may state if we accept any other form of payment.

A5.7 If the buyer does not comply with its obligations under the contract then:

- you are personally liable to buy the lot even if you are acting as an agent; and
- you must indemnify the seller in respect of any loss the seller incurs as a result of the buyer's default.

A5.8 Where the buyer is a company you warrant that the buyer is properly constituted and able to buy the lot.

General Terms & Conditions section(s) b/c/d/e/f – relate only to sales physically conducted outside of the European Union and as such do not form part of the general conditions of sale for this auction.

G1.3 The lot is also sold subject to such of the following as may affect it, whether they arise before or after the contract date and whether or not they are disclosed by the seller or are apparent from inspection of the lot.

G1.4 Where anything subject to which the lot is sold would expose the seller to liability the buyer is to comply with it and indemnify the seller against that liability.

G1.5 The lot comprises of the catalogued item all items in, under, over and around any lot in this catalogue are not included with such lot unless specifically stated in the catalogue description.

G1.6 The lot does not include any tenant's or trade fixtures or fittings.

GENERAL CONDITIONS OF SALE continued

(as approved by The Royal Institution of Chartered Surveyors)

(c) if it shall be found that the seller does not have title to all or any of the lot the buyer shall have no right to rescind, avoid or vary this agreement or to claim damages or a reduction in the price paid or payable;

(d) any intellectual property rights or software subsisting in a Lot may be third party property and as such the seller and/or the auctioneer may be unable to effect transfer. The buyer will not be authorised to use intellectual property rights or software and any such use or transfer shall be at the buyer sole risk.

(e) The buyer undertakes that it shall ensure that any vehicle comprised in any Lot is in a roadworthy condition in accordance with the Road Vehicle (Construction and Use) Regulations 1986 and any subsequent amendments thereof or such other relevant regulations as shall from time to time be in force before using it on a public road. It is the buyer's responsibility to remove any logos and lettering from vehicles. Odometer readings are not warranted.

(f) any item of plant, machinery or equipment contained in the lot (s) may not necessarily comply with any statutory requirements or regulations governing the use of that plant, machinery or equipment in their working environment. Buyer are entirely responsible for ensuring that the use of any item of plant, machinery or equipment does not contravene any health and safety and environmental legislation in existence at the time of the Sale.

(g) agrees that the auctioneer is acting only as agent of the seller and it is expressly agreed and declared that no personal liability in connection with the sale of any lot or otherwise shall fall on the auctioneer and the buyer shall indemnify the auctioneer against all and any liabilities arising under or in connection with the Sale of any Lot. Insolvency Practitioner(s), including Administrative Receiver(s), Administrator(s) and Liquidator(s) act as agent(s) for the seller without personal liability and shall incur no personal liability whatsoever in relation to a Sale or pursuant to any document relating thereto.

G1.8 The buyer agrees that the General Conditions and the exclusions which they contain are fair and reasonable bearing in mind that:-

(a) the buyer must rely absolutely on the buyer's own opinion and/or professional advice concerning the quality, state, condition, performance and functionality of the lot any right, title or interest which is sold under the terms of these General Conditions, their fitness and suitability for any particular or any purpose, the possibility that some or all of them may have defects not apparent on inspection and examination including, without limitation, the presence of contamination and the possibility that the buyer may not acquire title and the fact that the buyer would have no remedy under this Agreement should that happen;

(b) the buyer has available to it skilled professional advice and on that basis agrees to purchase a lot for a consideration calculated to take into account amongst other things the risk to it represented by the fact that the parties believe that all the exclusions and limitations set out in these General Conditions would be recognised as being fully effective by the Courts and the seller making it clear that it would not have agreed to sell any lot on any other basis except for a higher consideration;

(c) the buyer has been given every opportunity which might reasonably be expected to examine and inspect the lot.

(d) The buyer acknowledges that a Sale by Auction is not a consumer sale for the purposes of the Sale of Goods Act 1979 (as amended by the Sale and Supply of Goods Act 1994) and the Unfair Contract Terms Act 1977 and the buyer shall not seek to rely upon and conditions or warranties implied thereby or by any other legislation.

G2.4 If a cheque for all or part of the deposit is not cleared on first presentation the seller may treat the contract as at an end and bring a claim against the buyer for breach of contract, additionally the buyer will be liable for all charges and expenses incurred as a result of a non cleared payment.
